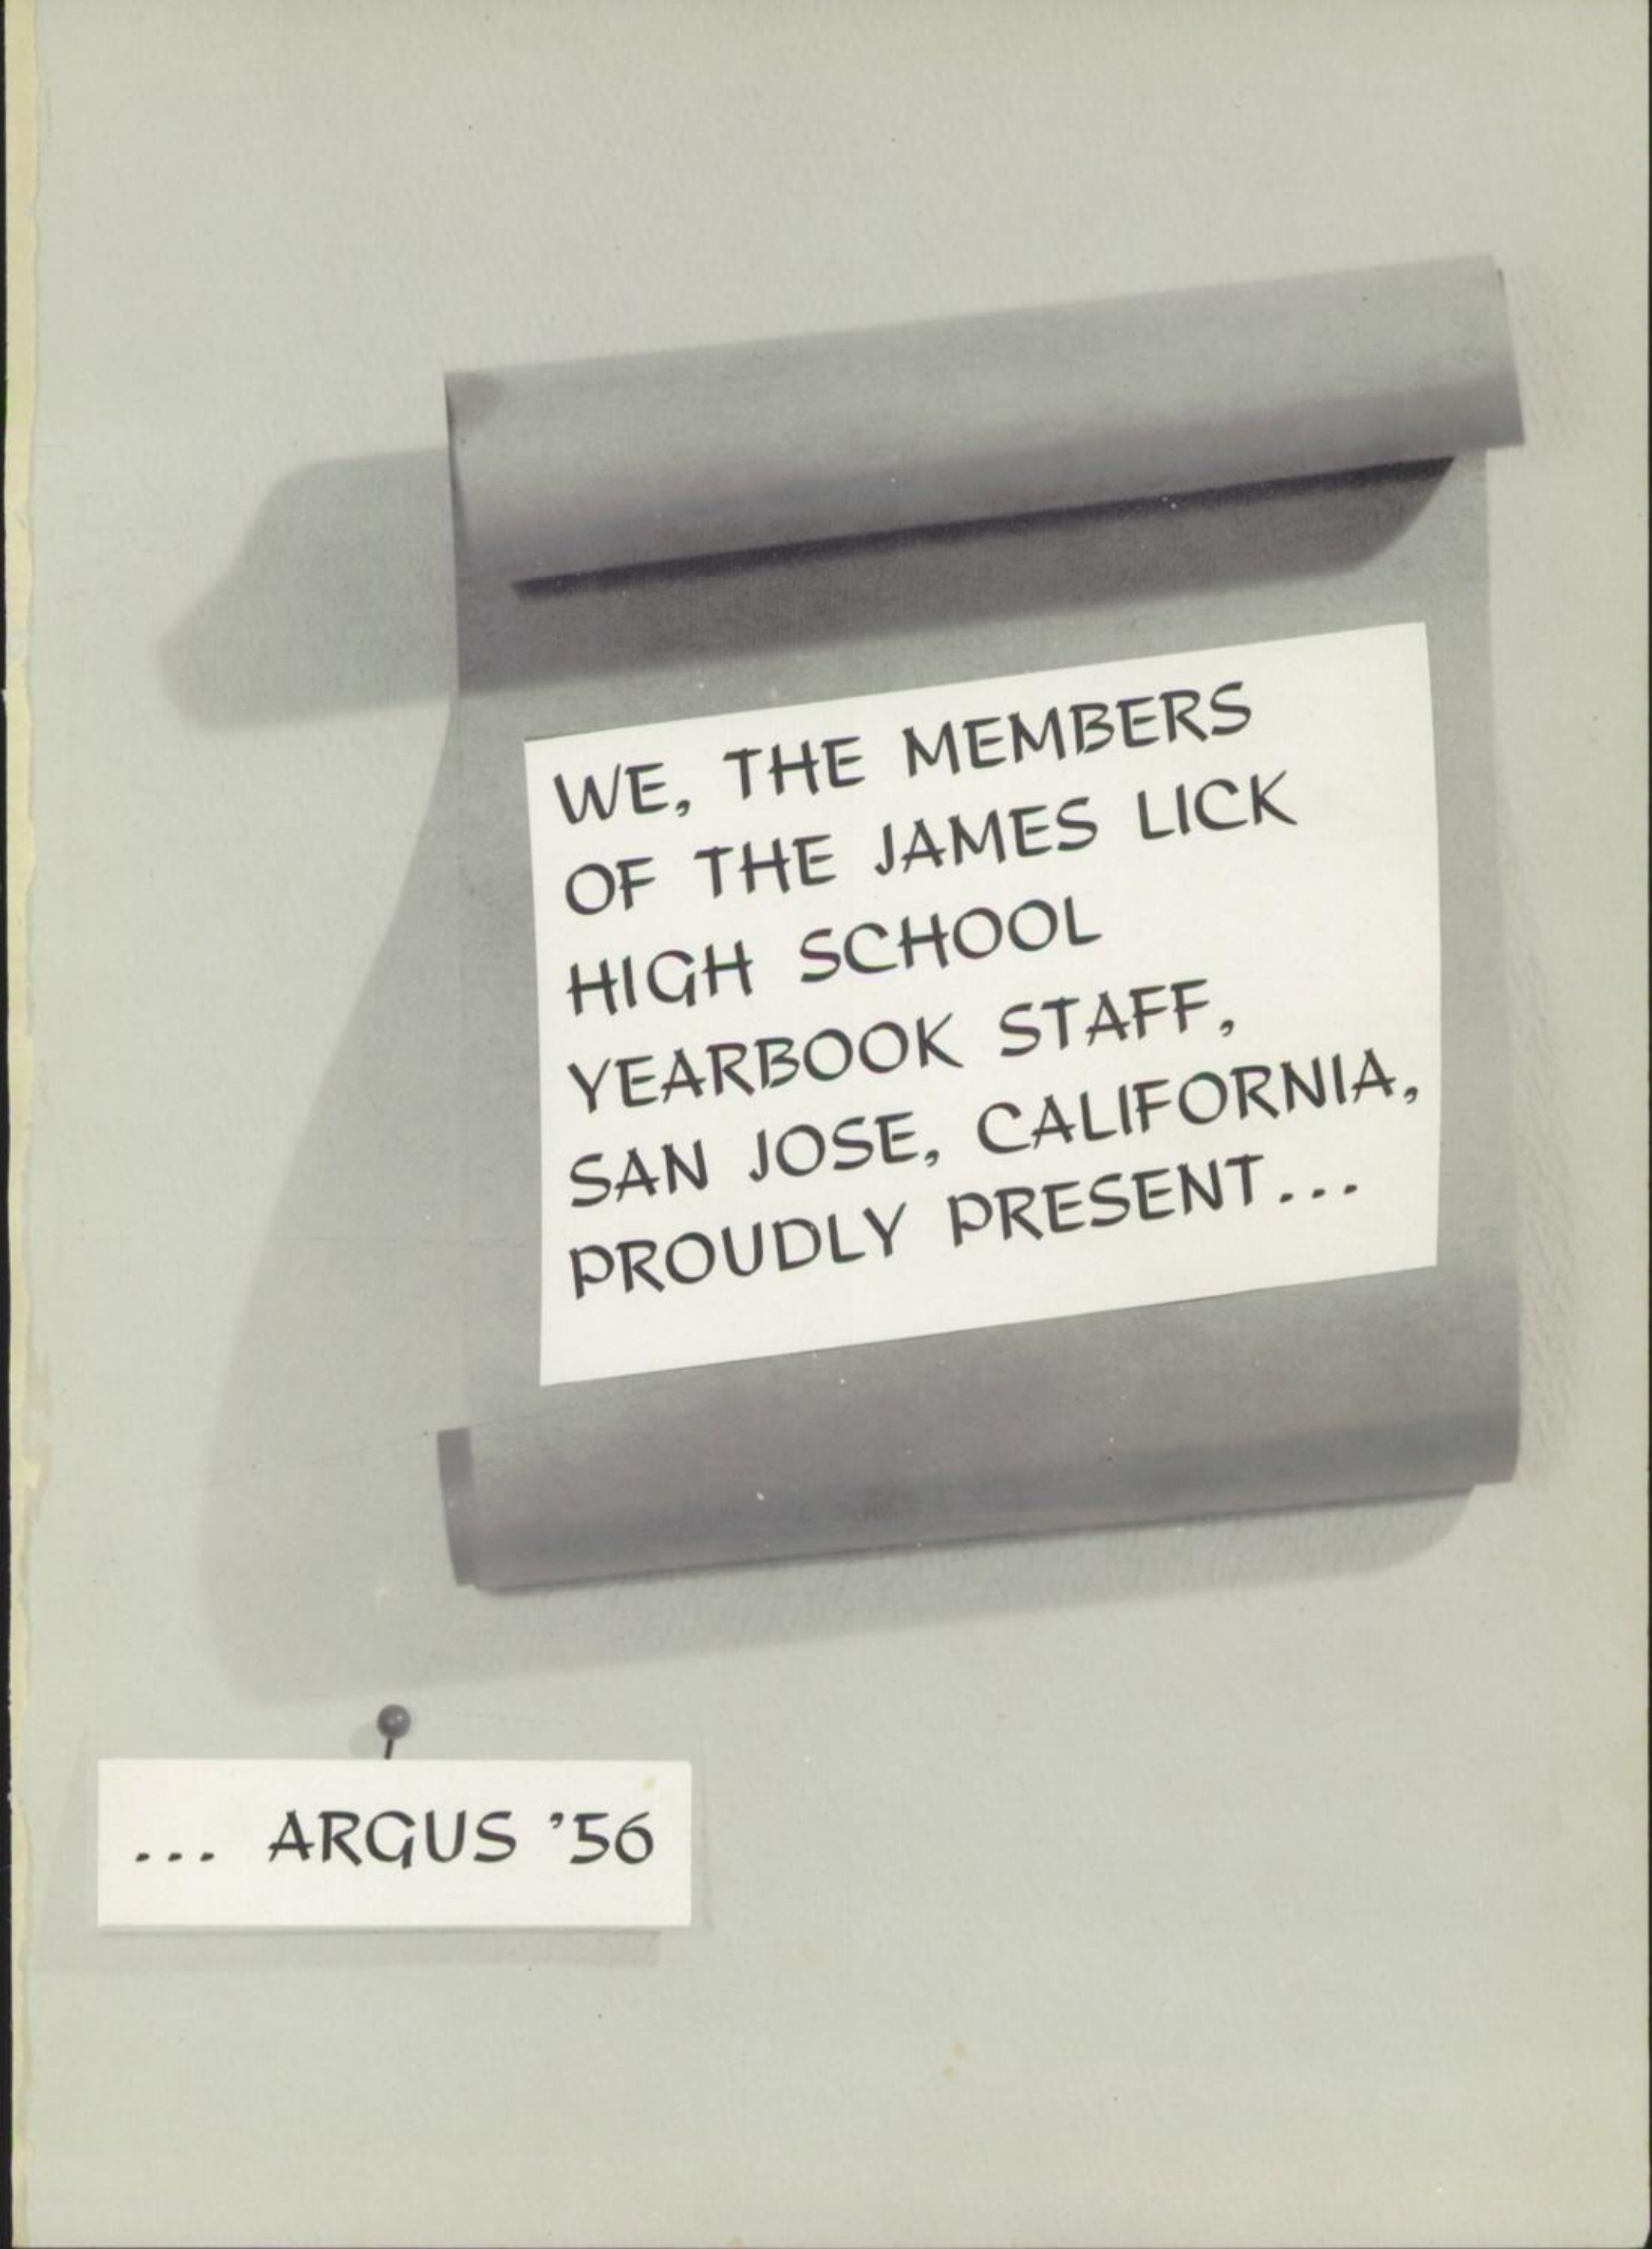
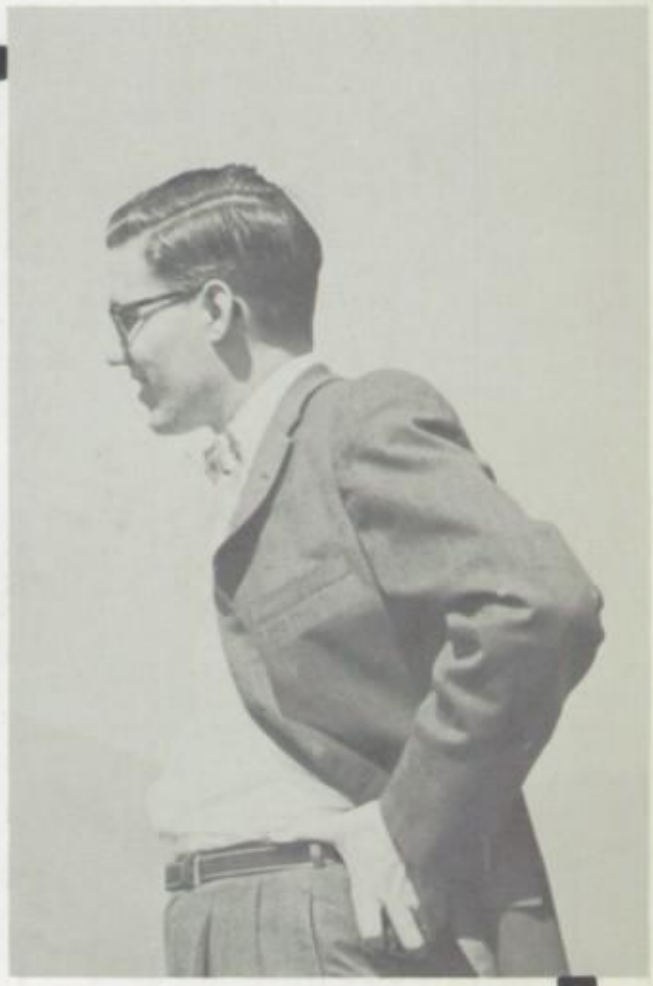
# ARGUS '56



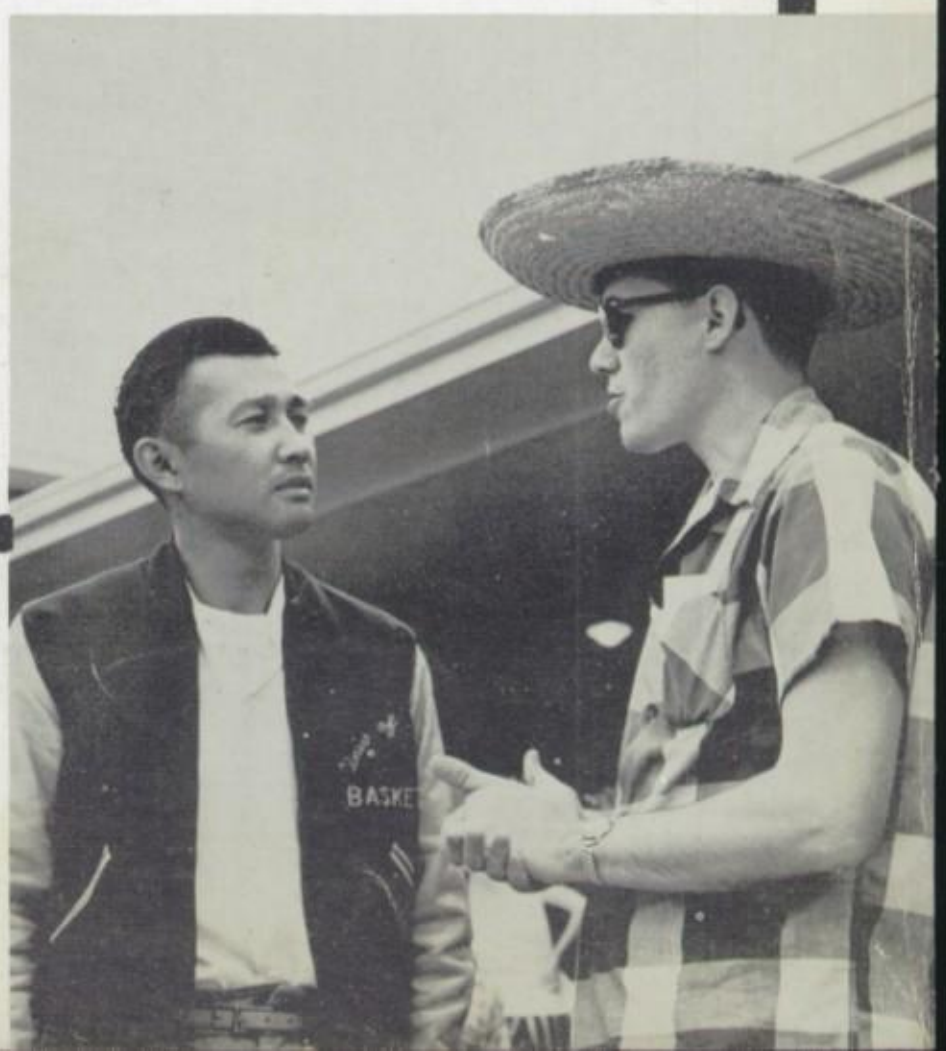
WE, THE MEMBERS
OF THE JAMES LICK
HIGH SCHOOL
YEARBOOK STAFF,
SAN JOSE, CALIFORNIA,
PROUDLY PRESENT...
... ARGUS '56



This year we wish to honor a man who has literally grown with our school. In 1950, the beginning of James Lick's history, he served as Vice - Principal. A year later he became the Principal, a post which he held until June, 1955, when he was appointed Assistant Superintendent.

Some of the characteristics that make him outstanding are his sincere interest in his work, his wonderful understanding and helpful attitude, and his continuous, friendly guidance.

Therefore, we of the yearbook staff, in wishing him success and happiness in all that he attempts in the future, dedicate the 1956 ARGUS to DR. WILLIAM O. WOODWORTH.



The past year has presented a real challenge to the students, parents and faculty of James Lick High School. Double sessions were something new and different, but through the cooperation of everyone, challenges were met and difficulties surmounted.

The events presented in the pages of the Argus will help you to recall the many happy moments and the pleasant highlights that have made your year such a memorable one. In future years as you review the pages of this Argus, may your memories be refreshed to the exciting events of your school days.

Congratulations to the Argus staff and best wishes to the Class of 1956.

We, of James Lick High School, wish to bestow upon our administration a vote of thanks for their guidance and understanding in this past year. This has proved an extremely difficult year because of the double session, but our administration has, as always, guided us safely and smoothly over the bumps and has led us through a successful school year.
